## Hotel Chinzanso Tokyo

### European taste with Japanese hospitality

Hotel Chinzanso Tokyo is located in Mejiro in the tranquil Yamanote area, far removed from the bustle of the city despite its location at the heart of Tokyo. Featuring quiet, historical surroundings with a scenic garden, the hotel complex comprises three buildings – the hotel itself, a plaza, and a tower – as well as the kaiyu-shiki (strolling) gardens; 260 guest rooms; 36 banquet rooms, 5 wedding spaces; and 12 restaurants.

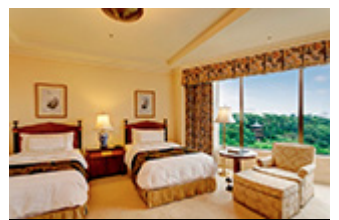

Whether for accommodation, dining, parties, meetings, or weddings, we can provide the perfect space for your visit.

We provide comfort, functionality, high performance and all kinds of services to help you achieve successful meetings (business meetings, training sessions, seminars), incentive events (receptions, complimentary parties, inspections), conventions/conferences (large meetings, academic conferences, international conferences), exhibitions, and events. Furthermore, your comfort during your stay is our priority.

We invite you to refresh mind and body with a morning stroll in the garden, a dip in the natural spa, or a combination of the other relaxation activities offered here.
