High-quality anti-aging services -Clinique La Prairie Medical Spa Club-

Yugawara has been celebrated for its hot springs in the Manyoshu, the earliest anthology of poetry in Japan, and soon it will be home to the Swiss Clinique La Prairie, which has an esteemed history of 77 years itself. This melding of Japanese and European cultures will breath new life into the area when Clinique La Prairie was open in 2010. Until the main facility is completed, it is working with several other clinics to provide the most luxurious treatments.

Clinique La Prairie is a pioneer in the field of anti-aging and is known around the world for being a leading-edge treatment facility. Since 1931, it has worked to improve the quality of life by actively prevention and early diagnosis of any illness brought on by aging. The clinic is constantly expanding the field of medical technology and offers treatments based on "Swiss Perfection" to alleviate illnesses and provide comfort. Their high-quality anti-aging services have been widely used by royalty, top business leaders, and world-famous celebrities.

* Clinique La Prairie has received several awards for its work including Best Medical Spa and Best European Medical Spa.
