## Special Dinner Experience with Geiko and Maiko Entertainment

Gion is famous for its beautiful "geiko" and "maiko" entertainers, but it is also a centre of seasonal beauty that offers something different for each season, whether it be cherry blossoms in the spring or the gentle arch of weeping willows in the summer. You will be able to enjoy this special experience of Japanese food and culture without worrying about the bustle of the busy city outside. This experience will be available at "ryotei", high-class Japanese-style restaurants and Gion Hatanaka as well.
